By "An act authorizing the appointment of persons to test the usefulness of inventions to improve and render safe the boilers of steam-engines against explosions."

A board of three examiners, to test the usefulness of inventions or improvements in steam-engines; each to receive for his personal services and expenses \$300.

By "An act to increase the present military establishment of the United States, and for other purposes," and the act supplementary thereto:

There shall be added to each of the four regiments of artillery one company, to be organized in the same manner as authorized by existing laws; the number of second lieutenants of a company of artillery to be reduced to one; this reduction to be so made, in connexion with the appointment of officers to said additional companies, and the transfer to the Ordnance Department, as that all the present second lieutenants shall be retained in service.

There shall be raised and organized one regiment of infantry, to be composed of the same number and rank of officers, and receive the same pay and allowances, as other regiments of infantry now in service.

The President of the United States is authorized to add to the corps of engineers one lieutenant colonel, two majors, six captains, and six first and second lieutenants; to receive the same pay and emoluments as are allowed to the officers of the regiment of dragoons.

The corps of topographical engineers to be organized and increased, by regular promotions in the same, so as to consist of one colonel, one lieutenant colonel, four majors, ten captains, ten first and ten second lieutenants; to receive the same pay and emoluments as are allowed to officers of similar rank in the regiments of dragoons: the vacancies created by said organization to be filled from the army, and from such as may be deemed advisable of the civil engineers employed under the act of the 30th April, 1824.

The President shall be authorized to appoint not exceeding two assistant adjutants general, with the brevet rank, pay, and emoluments of a major, and not exceeding four with the brevet rank, pay, and emoluments of a captain, of cavalry; to be taken from the line of the army, and, in addition to their own, perform the duties of assistant inspectors general, when the service may require: the officers so taken from the line to receive only the pay and emoluments attached to their rank in the staff.

The President is authorized to add to the Quartermaster's Department not exceeding two assistant quartermasters general, with the rank of colonel;

two deputy quartermasters general, with the rank of lieutenant colonel ; and eight assistant quartermasters, with the rank of captain ; the assistant quartermasters now in service to have the same rank as those provided by this act : officers of the Quartermaster's Department to be allowed the same pay and emoluments as are allowed to officers of similar rank in the regiments of dragoons.

The Quartermaster General is authorized to employ not exceeding twenty forage masters and wagon masters, to receive each \$40 per month and three rations a day, and forage for one horse.

There shall be added to the commissariat of subsistence one assistant commissary general of subsistence, with the rank, pay, and emoluments of a lieutenant colonel of cavalry ; one commissary of subsistence, with the rank, pay, and emoluments of a quartermaster of the army ; and three commissaries of subsistence, with the rank, pay, and emoluments of assistant quartermasters.

The President is authorized to add to the Ordnance Department two majors, and to transfer to the Ordnance Department ten first and ten second lieutenants from the artillery ; and the officers of said department shall receive the same pay and emoluments as are allowed to the officers of the regiment of dragoons ; the number of lieutenants authorized to be added and transferred not to exceed twelve.

Every commissioned officer of the line or staff, exclusive of general officers, shall be entitled to receive one additional ration per diem for every five years he shall serve in the army of the United States.

There may be appointed by the officers composing the council of administration not exceeding twenty chaplains to act as schoolmasters, to serve at posts, who shall each receive not exceeding \$40 per month and four rations per diem, with quarters and fuel.

There shall be appointed an additional professor to instruct in chemistry, mineralogy, and geology, with the pay and emoluments now allowed to the professor of mathematics ; and an assistant professor, with the same pay, &c., as allowed to other assistant professors.

When suitable non-commissioned officers cannot be procured from the line of the army to serve as paymaster's clerks, paymasters are authorized to employ citizens at salaries not to exceed \$500 per annum.

The officers of the pay and medical departments of the army shall receive the pay and emoluments of officers of cavalry of the same grades respectively, according to which they are now paid by existing laws.

When volunteers or militia are called into the service, and the paymasters authorized by law are not deemed sufficient to pay them with proper punctuality, the President shall appoint not exceeding one paymaster for every two regiments of militia or volunteers, with the same pay and emoluments as other paymasters in the army.

The compensation hereafter to be allowed to such ordnance storekeepers as shall be designated as paymasters, shall not exceed the pay and emoluments of a captain of ordnance.

The superintendents of the armories at Springfield and Harper's Ferry, shall each hereafter receive the sum of \$1,500, and rations, fuel, and quarters, as at present authorized ; and the master armorers of the same shall each receive the sum of \$1,200, and fuel, and quarters.

The President is authorized to appoint seven additional surgeons, to receive the same pay and allowances as officers of the same grades respec-
